

RESILIENCE Roadshow

Building a Trauma-Informed Community

A FREE 90-minute interactive online webinar to help civic, social service and faith-based organizations, libraries, non-teaching school staff, businesses, and other community groups and individuals in Hampshire County better understand the impact of trauma and how to build a more welcoming and resilient community.

The next Training open to the general public will be on
Thursday December 1, 2022 from 11:30-1:00 pm.

Please register at:

<https://forms.gle/stFikv8xo5UDpaGF8>

Anyone may request that the Resilience Roadshow be offered specifically for their organization or host a community event. Trainers from TIHC and materials will be available at no cost to the hosting organization.

Presented by *Trauma-Informed Hampshire County: a network responding to Adverse Childhood Experiences*, a collection of organizations and residents that fosters greater community understanding of trauma, and promotes healing of individual, group, systemic and historical trauma through education, resources sharing and policy/systems change.

For more information, reach out to Ruth Ever, Coordinator with Trauma-Informed Hampshire County network at HampshireTIHC@gmail.com
