

RESILIENCE Roadshow

Building a Trauma-Informed Community

A FREE 90-minute interactive workshop to help civic, social service and faith-based organizations, libraries, non-teaching school staff, businesses, and other community groups and individuals in Hampshire County better understand the impact of trauma and how to build a more welcoming and resilient community.

Register using QR code

Friday May 2, 2025
12:00-1:30 pm on ZOOM

Presented by Trauma-Informed Hampshire County, a network of organizations and residents fostering greater community understanding of trauma and adverse childhood experiences, and promoting healing of individual, group, systemic and historical trauma through education, resources sharing and policy/systems change.
